## COMPANIES ACT 2013: EXPLORING KEY CHALLENGES

The National Assembly passed the Companies Act 2013 and will probably soon come into effect. What changes have been effected in reference to its predecessor – the Companies Act 1984? Take the opportunity to have a greater insight into this relevant business legislation.

ICAM invites you to masterclasses on the Companies Law 2013. You cannot afford to remain behind in this competitive business environment

### Expert Presenter

### Allan Hans Muhome

Allan is a legal practitioner, lecturer in law and author. He holds an LLB (Hons) and has completed his MBA, both with the University of Malawi.
