

The Institute of Chartered Accountants in Malawi (ICAM) is pleased to publish names of its members as at 30 September 2016. The membership of ICAM is divided into three categories, namely: Practicing full members, Non-practicing full members and Diplomate members. These categories are further subdivided into resident and non-resident.

ICAM notifies the Business Community and the General Public that these are the only registered professionally qualified and regulated accountants in Malawi recognized by ICAM as a national accountancy professional body.
