4. STATEMENT OF VALUE TO THE COUNCIL OF ICAM

I believe with my vast experience acquired both local and international I can contribute very much in the ICAM and also add value on issues of policy directions and decision making process for the benefit of the profession and those associated with it. It is in my best interest to see that ICAM becomes a preferred qualification not only Malawi but in Africa Region. It is also my wish that ICAM should have members of highest integrity and credible without any questionable characters both here in Malawi and beyond.
