

ICAM MEMBERS AS AT 31st MARCH 2021

The Institute of Chartered Accountants in Malawi (ICAM) is pleased to publish names of its members as at 31st March 2021. The membership of ICAM is divided into three categories, namely: Practising full members, Non-practising full members and Diplomate members. These categories are further subdivided into resident and non-resident.

ICAM notifies the Business Community and the General Public that these are the only registered professionally qualified and regulated accountants in Malawi recognized by ICAM as a national accountancy professional body. Kindly take note that any accountant not listed below has contravened section 26 of the Public Accountants and Auditors Act (No.5 of 2013) which calls for mandatory registration. A breach of this section invites a fine of MK100 000 and a penalty of imprisonment of 2 years.

ICAM requests employers whose accountants do not appear on this list to contact ICAM for guidance.
